* Once the annual maximum is reached with these plans, the member is responsible for paying all additional health care costs for the remainder of the year. However, the maximum resets annually. As with other Aetna plans, members are responsible for billed charges upon reaching any plan limits, at which point they may or may not receive Aetna's negotiated rates. They will need to discuss the amount for which they are responsible for with their provider.

** Maximum applies to combined in and out-of-network benefits.

*** Copay is billed separately and not due at time of service. Copay does not count towards coinsurance or out-of-pocket maximum.

+ Payment for out-of-network facility covered expenses is determined based on Aetna's Market Fee Schedule. Payment for out-of-network non-facility covered expenses is determined based on the negotiated charge that would apply if such services were received from a Network Provider.

This plan has a Calendar Year Maximum that limits the total amount the plan pays for your medical and pharmacy benefits in a calendar year (January 1 through December 31).
